The final, full-bodied, blend was chosen by consumers (!) who voted at General Cigar's top retailers by selecting for one of two test cigars available at each shop. Once chosen, the final version of Excalibur 1066 made its debut in mid-2000 and is offered in all-cedar boxes of 20. The wrappers are from Cameroon for all shapes except the Dark Knights, which have Connecticut-grown, Havana-seed wrappers. The Celebracions was created in 2009 for a special holiday pack.
